## Spring Cleaning at Camp Wawbeek

Wisconsin Dells, WI --- With winter finally on its way out, it is time for some spring cleaning. Each year, Camp Wawbeek hosts a Camp Clean-Up day, with this year's event taking place on Saturday, May 13 from 9:00 a.m. – 3:00 p.m, with lunch included.

Whether you can spend the whole day at camp or just a few hours, Easter Seals Wisconsin camp staff would love to have your help! There is plenty of work for all talents and skill levels. From painting and carpentry to yardwork and general cleaning, there is a lot to be done to prepare camp for this summer.

Volunteers are asked to wear work clothes, shoes and bring a pair of work gloves if able. If you have your own tools, you are welcome to bring those as we do not have many extra tools on hand.

If you are interested in attending, please contact Rachel Howell, Volunteer Coordinator, at 608.254.2502 or e-mail her at [volunteer@eastersealswisconsin.com](mailto:volunteer@eastersealswisconsin.com). This will allow us to prepare lunch for everyone attending.

For any group or volunteer who may be traveling to attend the clean-up day, there is room to stay at camp during the weekend. If this is something you or your organization would be interested in, please contact Rachel Howell at [volunteer@eastersealswisconsin.com](mailto:volunteer@eastersealswisconsin.com) to reserve your space.

**About Easter Seals Wisconsin Camps:** Easter Seals Wisconsin Camp Wawbeek is the longest-running Easter Seals camp in the country, established on 400 acres in the Wisconsin Dells in 1938. Since then, Camp Wawbeek has been providing camping experiences to children and adults with physical and cognitive disabilities. The camp is open year-round, and while fun is the top priority, campers gain new skills, report increased independence, and have the opportunity to make lifelong friends who can provide a year-round network of social support.
