**Easter Seals Wisconsin Receives Grant from Madison 4 Kids**

Madison, WI---Easter Seals Wisconsin recently received a grant from Madison 4 Kids – a local charity benefiting children in the community by providing support to help kids and youth organizations achieve and live a better quality of life. The generous donation to the campership fund will help cover the cost of children with disabilities to attend Camp Wawbeek and Respite Camp in Wisconsin Dells. The campership fund provides scholarships for children who otherwise would not be able to participate in camp. It means the world to the people served and provides a direct benefit to families and children in our area and across Wisconsin. During the 2015-2016 camp season Easter Seals Wisconsin Camps served almost 1,400 campers, a record number. Sessions included those for children and teens with high functioning autism, cognitive disabilities, and physical disabilities.

Madison 4 Kids' support will help us continue to meet the ever-increasing need for camperships, providing children with disabilities in financial need from the Dane County area an opportunity to partake in a unique camping experience that promotes independence and offers challenge as well as fun.
