Easter Seals Wisconsin Receives Donation from County Materials Corporation

Madison, WI – County Materials Corporation has made a gift of \$12,000 to Easter Seals Wisconsin for Easter Seals Wisconsin Camp projects, located in Wisconsin Dells.

County Materials Corporation has donated to Easter Seals Wisconsin Camps for many years. Thanks to County Materials Corporation's generous donation, Easter Seals completed projects that significantly increased accessibility for campers in 2018, including: a concrete pathway from newly-remodeled Menomoni Cabin at Camp Wawbeek to the pool and new playground; replaced a ramp at the boys' dorm at Camp Wawbeek; and replaced walkways at Respite Camp.

In 2017, over 2,000 children and adults attended Easter Seals Wisconsin Camps. Through the generosity of private donors, campers with disabilities of all ages, from every county in Wisconsin, are able to continue the traditions that camp brings: recreation, outdoor education, friendship, independence, unparalleled care, and unlimited fun for children and adults with disabilities.

About Easter Seals Wisconsin: For over 90 years, Easter Seals Wisconsin (www.EasterSealsWisconsin.com) has provided services that help children and adults with disabilities gain greater independence. Easter Seals' primary services – vocation rehabilitation, respite services, camping and recreation, information and referral, and public education – benefit close to 10,000 individuals with disabilities and their families each year throughout Wisconsin.
