Veterans Family Camp

Application

A Retreat for Veterans and their Families

Easterseals Wisconsin Camp Wawbeek will offer a chance for veterans and their families to spend much-needed time together at our beautiful camp just outside of Wisconsin Dells. Veterans Family Camps are restricted to veterans and their *immediate family members*. (Thanks for your understanding, so that we can serve as many veterans as possible.) There is no charge for the program. All meals and lodging are provided.

The program, unique to Wisconsin, includes fully-accessible recreational opportunities for the veteran and family, therapeutic and informational group sessions, as well as activities for the entire family to do together such as fishing, swimming, and accessible Ropes Course and zip line with certified Ropes Course specialist.

In the past, Family Camps have welcomed social workers from various veterans' organizations throughout the state of Wisconsin. While the focus is primarily on fun, participating families will have the opportunity to begin forming social and support networks that may be helpful to them.

Please note, if there is more than one veteran in your family, *each veteran needs to complete a separate registration form.*

"We really enjoyed our time here. We had not been before so didn't really know what to expect. It was great to meet new people and be able to spend time doing the activities with our family. It was very nice to have adult time too and to know our kids were well taken care of! Thank you."

--Veterans Family Camp Participants

"This trip has been an incredible opportunity to get away with my husband and have some fun together. What impressed me the most was how welcoming and kind the staff have been to us from the very beginning!"

"We all had a great time, particularly the kids. It was great they were able to do the rock wall and zip line. I particularly enjoyed the "just veterans" time with the reps from the Vet Center. A common theme I hear from veterans is difficulty connecting with non-veterans and this weekend provided us a great opportunity to connect."
