**Easterseals Wisconsin Recognizes Dane County Council of Snowmobile Clubs for Decades of Support**

(MADISON, Wis.) – Easterseals Wisconsin honored the Dane County Council of Snowmobile Clubs (DCCSC) with a special recognition award during its annual Wonderfully Human Event, which raised more than \$150,000 for the organization’s programs and services.

DCCSC has been a steadfast supporter of Easterseals Wisconsin since 1988, contributing nearly \$350,000 to the organization’s camp programs over almost four decades. The organization serves as the coordinating body for local snowmobile clubs throughout Dane County, working to maintain trail systems, promote safe snowmobiling practices and foster community engagement through recreational activities. The council first partnered with Easterseals Wisconsin in 1988 when the National Snowmobile Foundation became a national corporate sponsor.

“The dedication and generosity of the Dane County Council of Snowmobile Clubs exemplifies the spirit of community partnership,” Easterseals Wisconsin CEO Paul Leverenz said. “Their unwavering support for nearly 40 years has created countless opportunities for people with disabilities to experience the joy and independence that our camp programs provide.”

The Wonderfully Human Event’s success has positioned Easterseals Wisconsin to exceed its annual campaign goal of \$160,000 by the end of August. The funds support the organization’s work, providing services that help people with disabilities to participate fully in their communities.
