Easterseals Wisconsin Raises \$23,000 at Sporting Clays

(WISCONSIN DELLS, Wis.) – Easterseals Wisconsin raised just over \$23,000 at the 5th annual Sporting Clays event on October 2 to support children and adults with disabilities through programs and services. Thanks to presenting sponsor Delta Dental for their boost in sponsorship to help us expand and bring even more teams to the event.

“Fundraising events such as this are a major source of support for our agency. When we find partners such as Delta Dental who are passionate about our mission, they just bring a new energy to events and it’s exciting to see,” says President and CEO, Paul Leverenz. “It was a great day, and we look forward to seeing everyone again next year.”

FARM Program client Darrell Walser is pictured with his wife, Mary, alongside Easterseals Wisconsin President and CEO Paul Leverenz and Rural Rehabilitation Specialist Ami Bliefert.

Easterseals Wisconsin client and retired dairy farmer, Darrell Walser, was also in attendance to share with guests about his experience working with the FARM Program’s Rural Rehabilitation Specialists after a disabling farm accident in 2015. After an on-site assessment, he was connected to resources that helped implement assistive technology into his farm operation. He currently has 10 steers and plants corn, soybeans, and hay ground on his 157 acre farm in Mazomanie.

About Easterseals Wisconsin

For nearly 100 years, Easterseals Wisconsin has provided services that help children and adults with disabilities gain greater independence. Easterseals Wisconsin’s primary services – vocational rehabilitation, respite services, camping and recreation, information and referral, and public education – benefit close to 10,000 individuals with disabilities and their families each year throughout Wisconsin.
