Trillium Foundation Helps Expand Services to Veterans

(WISCONSIN DELLS, Wis.) – The Trillium Foundation recently awarded a \$5,000 grant to help Easterseals Wisconsin expand its programs and services to veterans and their families through the Veterans Family Camp during the 2026 spring and fall sessions.

“Our partnership with The Trillium Foundation helps us create lasting opportunities and strengthen networks of support in Wisconsin,” states Paul Leverenz, President & CEO of Easterseals Wisconsin.

Through a partnership with AmeriCorps, Easterseals Wisconsin has been hosting Veterans Family Camp for 11 years. In 2025, 113 veterans and family members had the opportunity to experience this unique camp experience, completely free of charge. Families have time to reconnect, and veterans can find a support network all while having a fun, relaxing, fully accessible getaway.
